WHEREAS, respondent admits:

1. Respondent's license expired on May 31, 2023. Subsequent to the expiration of respondent's license, respondent has continued to practice as a Behavior Analyst.
2. That the conduct described above constitutes grounds for denial of respondent's application for reinstatement pursuant to Connecticut General Statutes §19a-14(a)(6).

NOW THEREFORE, pursuant to Connecticut General Statutes §§19a-17 and 20-185m, as amended, respondent stipulates and agrees as follows:

1. Respondent waives their right to a hearing on the merits of this matter.
2. Respondent's license to practice as a Behavior Analyst shall be reinstated when respondent satisfies the requirements for reinstatement of respondent's license, as set forth in Regulations of

Connecticut State Agencies §§19a-14-1 through 19a-14-5, inclusive, and this Reinstatement Consent Order is executed by all parties.

3. Respondent shall pay a civil penalty of seven hundred twenty dollars (\$720.00) by certified or cashier's check payable to "Treasurer, State of Connecticut." The check shall reference the Petition Number on the face of the check. Said civil penalty shall be payable at the time respondent submits this executed Reinstatement Consent Order to the Department.
4. Immediately upon issuance, the respondent's license shall be reprimanded.
5. Respondent shall comply with all federal and state statutes and regulations applicable to respondent's license.
6. Respondent shall notify the Department of any change(s) in employment within fifteen (15) days of such change.
7. Respondent shall notify the Department of any change in home and/or business address within fifteen (15) days of such change.
8. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Practitioner Licensing and Investigations Section of the Department's Healthcare Quality and Safety Branch.
9. Respondent understands and agrees that this Reinstatement Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Department in which (1) respondent's compliance with this Reinstatement Consent Order is at issue, or (2) respondent's compliance with Connecticut General Statutes §20-185m, as amended, is at issue.
10. This Reinstatement Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Respondent agrees that this Reinstatement Consent Order shall not be subject to modification as a result of any claim that the terms contained herein may result in action by third parties, including, but not limited to, healthcare facilities and/or credentialing or licensure authorities and respondent waives any right to seek reconsideration or modification of this Reinstatement Consent Order pursuant to

Connecticut General Statutes §4-181a without the express consent and agreement of the Department. Respondent assumes all responsibility for assessing such actions prior to the execution of this document. Further, this Reinstatement Consent Order is not subject to appeal or review under the provisions of Connecticut General Statutes Chapters 54 and 368a, provided that this stipulation shall not deprive respondent of any other rights that respondent may have under the laws of the State of Connecticut or of the United States. This Reinstatement Consent Order is a revocable offer of settlement, which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.

11. This Reinstatement Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
12. Respondent has the right to consult with an attorney prior to signing this document.
13. Respondent understands this Reinstatement Consent Order is a public record and shall be reported to the National Practitioner Data Bank maintained by the United States Department of Health and Human Services.
14. The purpose of this Reinstatement Consent Order is to resolve the pending administrative license disciplinary petition only and is not intended to affect any civil or criminal liability or defense.
15. This Reinstatement Consent Order embodies the entire agreement of the parties with respect to this petition. All previous communications or agreements regarding the subject matter of this Reinstatement Consent Order, whether oral or written, between the parties are superseded unless expressly incorporated or made a part hereof.
